Where to Find English Books in Ankara

Last updated: May 29, 2015 by Mrs. Benedict

Oasis Library

We have over 10,000 materials available for check out in our library. Second through sixth graders may check out materials for one week. Seventh through twelfth grade students may check out materials for two weeks. There are limits on the number of materials depending on the grade level.

Oasis Scholastic Book Clubs

The library typically hosts two Scholastic Book Clubs a year – one in the fall and one in the spring. The books are appropriate for preschoolers through eighth graders. There may be some books that would interest high schoolers. The magazines and order forms are sent home in the weekly folders.

Oasis Book Sale

Every fall, the library has a book sale during the week of parent-teacher conferences. It is held in the Oasis atrium. All books cost 1TL.

Arkadaş Kitabevi (Kentpark Mall, top floor)

7.km Eskişehir Highway No: 164, Cankaya

Arkadaş is my favorite place to find English books in Ankara. They have a large English section in the back that includes a wall of classics, recent bestsellers, a young adult fiction section, as well as several non-fiction books. Near the front of the store by the windows is an impressive children's section including picture books, step books, activity books, and non-fiction books.

Bookish is a great stop for high school students for both fiction and non-fiction books. There is a small selection of picture books, juvenile literature, and several English magazines.

D&R Stores

www.dr.com.tr

D&R Stores are in several of the malls including Taurus, Cepa, Armada, Ankamall, Next Level, and Panora. Some of these stores sell popular and bestselling novels in English. Some carry a few juvenile novels, as well as magazines. The D&R with the best selection is located in Tunali. It is across from Kuğulu Park and is several stories tall. (You can't miss it!) The basement floor has a small section of English picture books. You can find a large wall of novels on the level below the café.

Homer Kitabevi

This store has an excellent children's section in the back full of picture books (fiction and non-fiction) for elementary students. They also have several step leveled readers. There is a small selection of juvenile chapter books (but not as many as Arkadaş). There is a huge wall of English novels that may be appropriate for secondary students. When I last visited, almost everything in the basement was discounted.

Remzi Kitabevi

(Armada Mall, across from Starbucks)

Remzi is my second favorite place to find books in English. The English section is on the left side of the store. Remzi carries recent bestsellers and some classics. They have a small section of juvenile chapter books, plenty of travel guides, non-fiction books, and some English magazines.
