*\*We are required to collect 8% KDV tax which we remit to the Turkish Government. Families with KDV tax exemptions are required to provide a letter from the Turkish Ministry of Finance. These fees represent the current school fees. School fees for the next year are finalized in May based on inflation rates and other expected costs.*

Preference for next year's enrollment is given to:

1. Current families
2. Families who have applied and paid capital fee
3. Available space in a given grade level

## **Busing Services**

For the convenience of our families we contracted with a bus company to provide this service. However, busing is a separate fee which is paid directly to the bus company. The fee paid depends on the part of town. The contracted monthly rates are as follows:

- 220TL (Çiğdem, Yüzüncü Yıl, Balgat, Öveçler)
- 320TL (Dikmen, Hoşdere, A. Ayrancı, Y. Ayrancı, Keklik Pınarı)
- 375TL (Çankaya, Or-an, G.O.P., Esat)
- 470TL (estimate depending on distance—generally requires 10 students in an area)

## **Lunches Services**

The lunches are ordered from local restaurants and payment is made in cash (Turkish Lira) at the time the order is placed. The costs range from 5-10 Lira per lunch. Students may also bring lunch from home.
