

2025-2026 School Year **Tuition Assistance Application**

The Tuition Assistance Program (TAP) for Oasis International School is provided to help those families who have a genuine need for monetary aid in order for their children to attend. It should be understood that the school's resources for such financial assistance are limited and that the primary responsibility for the payment of school fees lies with the family. This application form is meant to help the school review the needs of the applicants and provide assistance. The information obtained through this application will, of course, be held in strict confidence. **In return, we ask that you keep the amount of any assistance, if granted, in strict confidence. Your TAP will become void if you share the details with others and you will no longer receive any assistance.** The application with incomplete information will not be reviewed by the Financial Assistance Committee. This application will be considered on its own merits and on an individual basis. Any grants awarded will be valid for only one year.

For those individuals who are with companies who pay these expenses, feel free to have the agency complete this form for you.

We reserve the right to ask for documentation of your income and benefits in order to verify the information stated herein.
